

Caring for your donkeys' feet

Multiples and factors

It is important to clean your donkeys' feet regularly. You do this with a hoof pick.

How many **feet** did you clean if you worked on:

- 1) Two donkeys
- 2) Four donkeys
- 3) Five donkeys
- 4) Six donkeys

How many **donkeys** had their feet cleaned if you cleaned:

- 5) 8 feet 6) 16 feet
- 7) 12 feet 8) 20 feet

The farrier (the donkey foot doctor) needs to trim and file your donkeys' hooves.

How many **hooves** did the farrier trim if he worked on:

- 9) Three donkeys 10) Seven donkeys
- 11) Nine donkeys 12) Ten donkeys

How many **donkeys** had their feet trimmed if the farrier trimmed:

- 13) 28 feet 14) 36 feet
- 15) 24 feet 16) 40 feet

The farrier visited every Friday for a month. How many **hooves** did he file if he worked on:

- 17) Thirteen donkeys 18) Nineteen donkeys
- 19) Twenty-three donkeys 20) Thirty-one donkeys

How many **donkeys** had their feet filed if the farrier filed:

- 21) 56 feet 22) 64 feet
- 23) 72 feet 24) 84 feet
