

Make your own donkey sanctuary advertisement

Mini project

Make your own pamphlet by carefully following the instructions below. Make sure that you have:

- ♦ A4 sheet of paper
- ♦ ruler
- ♦ scissors
- ♦ crayons
- ♦ pencil
- ♦ rubber

1. Place your sheet upright on your desk. Start at the top left-hand corner of your sheet. Make a **rectangle** by measuring a 20 cm line **across** your paper and a 24 cm line **down** your paper with your ruler. Draw two lines to complete the rectangle. Cut out your rectangle.
2. Fold your piece of paper in half so that the advertisement size is now 24 cm long and 10 cm wide. You now have a narrow front cover, a large middle section and a narrow back page. You have three sections altogether.
3. Front cover page: Write the **name** of your sanctuary and draw a **picture** of donkeys on the front cover.
4. Back page: Make up your own **pattern** on the left-hand edge of the paper on the back page. It should be 2 cm wide. On the rest of the page write down some **information** you remember about donkeys. Write short sentences, for example:

Donkeys like to eat

Donkeys need

Middle section border

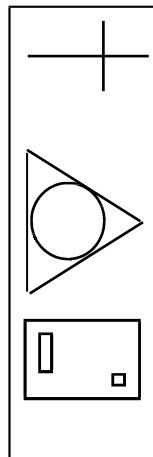

1. Make sure your advertisement is now open and flat on your table. Draw a 2 cm **border line** all the way around your page.
2. Divide the **left** and **right** side borders only into sections of 6 cm each.
3. Copy the pattern on the next page into the 6 cm sections. Make sure each section has all three shapes.
4. Colour in the top and bottom page border with one colour.

Make your own donkey sanctuary advertisement

Mini project continued

Middle section of advertisement

A. Pattern for side borders

The cross shape is for the cross on some donkeys' backs.

The triangle and circle is for the donkeys' beautiful eyes.

The rectangle is the donkeys' field with a shelter and water trough.

B. Middle section invitation

1. Draw a rectangle at the top of your page, 2 cm in from the border you drew earlier. It should be 12 cm wide and 8 cm high. The middle of the rectangle must be on the fold of your paper.
2. Copy this picture into the left half of your rectangle. Then finish the picture by doing the other half **like a mirror**. Colour it in.
3. Below the picture write an invitation to people to come and visit your special donkey sanctuary. Remember to say on which days and at what times your sanctuary is open.
